

FABRICATED TO SPEC. BUILT FOR QUALITY. DELIVERED ON TIME.

From one piece to an entire project, the same precision, quality, and dependable service.

Success depends on partners who deliver exactly what they promise. At Precision Glass Industries (PGI), we fabricate custom and high-volume shower glass to your exact specifications with the speed, consistency, and reliability your projects demand.

FABRICATED TO SPEC, BUILT FOR QUALITY

Using advanced automation and fabrication technology, every piece is produced to the customer's exact specifications, with consistent edgework, drilling, notching, and finishing—ensuring a clean fit and smooth installation.

DELIVERED ON TIME

Deadlines matter. With turnaround times as fast as **2 days** and dependable delivery, PGI helps keep projects moving and customers on schedule.

FROM ONE PIECE TO AN ENTIRE PROJECT

Whether the customer needs one custom piece or glass for an entire project, PGI is built to handle the requirement with the same consistency, quality, and dependable service on every order.

Proudly Fabricated in the USA

GLASS OPTIONS

Custom styles or thicknesses upon request		

RELIABILITY FROM ORDER TO DELIVERY

From order through fabrication and delivery, every project is backed by consistent quality standards and dependable service. When accuracy, timing, and consistency matter, customers count on PGI.

ADVANCED TECHNOLOGY, CONSISTENT RESULTS

PGI combines advanced fabrication equipment, robotic polishing, CNC waterjet cutting, precision drilling, and oversized glass processing to deliver consistent accuracy, quality, and speed.

ADVANCED FABRICATION CAPABILITIES

Custom Sizes & Configurations
Glass sizes from 12" x 12" to 106" x 172", including various layouts.

Precision Edgework
Flat, pencil, ground, and mitered polished edges for safety and aesthetics.

Tempered Glass Processing
Treated safety glass complies with ANSI Z97.1 safety standards.

Custom Drilling & Notching
Precision for hinges, handles, clamps, and specialty hardware.

DECO™ Digitally Printed Glass
Custom patterns and colors for enhanced privacy and design flexibility.

AEON Premium Glass Hardware
Latest and largest stock of AEON glass hardware available with fast delivery.

ShowerGuard® & Six Shield®
Premium protective coatings keep shower glass cleaner, clearer, and easier to maintain by resisting water spots and buildup.
